## From Rose - Grounds Superintendent

I would like to take this opportunity to personally thank each of our Members, Board Members & Grounds Committee for all of your hard work, donations (monetary and time), patience & understanding during the “season” and especially during the close down.

It takes many, many hours of hard work to keep the golf course operating and of course, looking beautiful. We spend countless hours spreading chemicals, watering, mowing, etc.

I also want to thank my team for all of their hard work, dedication and effort they each put forth in keeping our golf course looking amazing.

Thank you for all of the compliments! It means a lot to know that all of our hard work and efforts are appreciated.

## All Members

We are interested in creating an Entertainment Committee. We are looking for people who are willing to help us bring fun new ideas to the Country Club. If you are interested, please contact Meagan at 814-445-5200.

## Toys for Tots– Coming Soon

Help support the mission of the Marine Toys for Tots Program. The Marines collect new unwrapped toys and distribute those toys to less fortunate children at Christmas. The gift of a new toy brings the joy of Christmas and sends a message of hope to America's less fortunate children. Once again Somerset Country Club will serve as a collection center. Please consider dropping off a new, unwrapped toy while visiting the Club this month.
