

Somerset Country Club

Important Message from the Board

Historically during the winter months usage of the Club's facilities is greatly reduced. This has resulted in our receiving less revenues without the ability to significantly reduce costs. Therefore, the Board has decided to close during the months of **January and February 2022**. All Membership Dues and Food and Beverage minimums will remain the same. If you have any questions or concerns regarding the closure please call Desa Turk, General Manager.

We appreciate each and every membership and want to continue providing a beautiful golf course and fantastic food for you to enjoy!

We also want to recognize Rose and her crew for making the course look great!. As well as John McGinnis and the Golf Shop Guys for all your help in making the Member-Guests so successful. Thank you for all your hard work !!

Thank You!

A Note from Rose

I would like to thank all the Members for being so patient and understanding during our maintenance of the greens. I would also like to thank my grounds crew for all their countless hours of grooming the course on a daily basis. The greens are recovering nicely. It is so good to see everyone back on the golf course, enjoying something they love!

“Golf is the closest game to the game we call life. You get bad breaks from good shots; you get good breaks from bad shots—but you have to play the ball where it lies.”
